

Remarks

Claims 1-30 were pending in the application. Claims 1, 17, 21, and 22 are in independent form. Claims 1-21 and 27-30 are allowed. The final Office action rejected claims 22-26 as being anticipated by U.S. Patent Publication No. 2002/0007461 (“Garrison”).

In this reply, the only non-allowed claims 22-26 are canceled. No other amendments or arguments are submitted. Accordingly, the present amendment should be entered and the application will be in condition for allowance. The Examiner is invited to call the undersigned if any issues remain.

Respectfully submitted,

RAF Technology, Inc.
